The OPR for this supplement HQ AFSPC/XONH (Lt Col Gary Bontly). This supplement implements and extends the guidance of Air Force Instruction (AFI) 11-246V6, ***Air Force Aircraft Demonstrations (C-17, C-130, C-141, C/KC/NKC-135, UH-1)***. The AFI is published word-for-word without editorial review. Air Force Space Command (AFSPC) supplemental material is indicated in bold face. This supplement describes AFSPC procedures for use in conjunction with the basic AFI. This publication does not apply to the Air Force Reserve or Air National Guard units. Upon receipt of this integrated supplement discard the Air Force basic publication.

1.5. AFSPC units will use standard profiles as the primary method for demonstrating UH-1N capabilities. If use of a non-standard profile is appropriate, units must submit requests and justification through appropriate channels to AFSPC/CC NLT 45 days prior to the event.

1.7. Recommended changes to the basic instruction (to include those addressed in **paragraph 1.5.2.**) will be submitted to HQ AFSPC/XONH using the AF Form 847, **Recommendation for Change of Publication.**

2.2. HF/CCs will ensure crews selected for demonstration flights are current and qualified in the maneuvers to be flown.

2.3. Crewmembers completing basic qualification in the UH-1N using the formal courseware are qualified in basic flying procedures and aircraft maneuvers required to accomplish profile 1. Crewmembers completing mission qualification in the UH-1N using the formal courseware are qualified in basic flying procedures and aircraft maneuvers required to accomplish profile 2. Flying procedures and aircraft maneuvers for profile 3 are accomplished only for the 76 HF (in-unit). No AFSPC unit is qualified in flying procedures and aircraft maneuvers required to accomplish profile 4.

2.4. Units will include requests to perform aircraft capabilities demonstrations when requesting event participation approval IAW AFI 11-209, ***Air Force Aerial Events***, as supplemented. Units will send

requests through appropriate channels to HQ AFSPC/XO with a courtesy copy to 20 AF/DOH NLT 45 days prior to the event.

2.5. OG/CCs (or their designated representative) will submit a critique to HQ AFSPC/XONH NLT 14 days following the aircraft capabilities demonstration. The critique should include an assessment of aircrew/aircraft appearance, adherence to the approved profile maneuvers, and positive or negative reflection on the unit and the Air Force.

DOUGLAS M. FRASER, Brig Gen, USAF
Director of Air and Space Operations
